THE NEWTONIAN
• 1929 •

Annual of Newton High School
Newton, Massachusetts

VOLUME TWENTY

EDITED BY THE CLASS OF NINETEEN TWENTY-NINE

Foreword

HIS twentieth volume of The Newtonian represents an effort on the part of the editors to embody every phase of the school's activities—to present an accurate cross-section of the entire school.

As the latest in a series of such representations, the summary of this particular year of our school's advancement brings out two points. By its portrayal of present conditions, we realize the substantial progress made thus far in the school's development and the debt we owe to those in the past who helped to produce it. At the same time, this picture of the present opens up new views of the future, with vistas of a school greater in every way through continued advancement. Thus, we ask that this volume, a picture of Newton High School as we know her and love her today, may serve as a basis for reverent and inspiring comparison with the school of yesterday, and as a guide for those who will build on the foundation already laid, the greater school of tomorrow.

Teachers and pupils have given unselfishly of their time and energies to aid the production of this book. To them the editor extends his deep and sincere appreciation of their valuable assistance. The result of these labors you have before you. May its pages restore for you happy memories of the school of yesterday, aid your appreciation of the school of today, and suggest a vision of the school of tomorrow.

CLASS OF 1929

ROY ARTHUR BERGESEN	<i>An ounce of loyalty is worth a pound of cleverness.</i>	25 Whitlowe Rd., West Newton
Born September 15, 1909; Business; Peirce; To be a dentist.		
ESTHIER COLEMAN	<i>Ask to have it done—and it is done.</i>	70 Washington Pk., Newtonville
Born September 12, 1911; Language; F. A. Day; Boston University; Band, 2; Alpha Gamma Tau, 2; French Club, 3, 4; Drama Club, 4.		
JOHN THOMAS DILLWORTH	<i>Don't hurry; it's too good a day.</i>	536 Walnut St., Newtonville
Jack; Born June 16, 1911; Language; F. A. Day; Yale; Intermediate Baseball, 3; Track, 1; Junior Varsity Baseball; Hockey, 2.		
JAMES G. DUNLEAVY	<i>For there was never yet philosopher, That could endure the toothache patiently!</i>	62 Bridge St., Newton
Jim, Jimmie; Born August 10, 1911; Vocational-Auto; F. A. Day; To fully understand the principles of aeronautics.		
EVERETT THOMPSON FULLER	<i>Nature's gifts are priceless.</i>	144 Hancock St., Auburndale
Rugged; Born September 13, 1911; Mathematics; Wooster High, Ohio; M. I. T.; To be an electrical engineer; Basketball, 2, 3, 4; Lunchroom, 3, 4; Math Club, 3, 4; English Club, 2.		
ROBERT ALEXANDER GIBSON	<i>He had that grace of being, without alloy of fop or beau, a finished gentleman.</i>	599 Centre St., Newton
Gibby; Born March 1, 1911; Mathematics; Westminster School, Simsbury, Conn.; Dartmouth; To specialize in music.		
DAVID EMMET GRIFFIN	<i>A sober and industrious youth.</i>	41 Dalby St., Newton
Born April 23, 1909; Printing; Our Lady's; To work on Boston News Bureau.		
CALISTA MACFARLAND	<i>Lay my ashes on the wind.</i>	1734 Beacon St., Waban
Cal; Born June 22, 1912; Language; Winnwood, N. Y.; Radcliffe; Shakespearean Contest, 2; Basketball, 2; History Club, 3; Prize-Speaking Contest, 4; Newtonite, Literary Editor, 3, 4; Newtonian, 4.		
JOHN ORR	<i>My smiles must be sincere, or not at all.</i>	20 Fayette St., Newton
Born July 26, 1910; Printing; F. A. Day; To do printing at Hotel Vendome.		
KINGSTON CADY SMITH	<i>Villain and he are many miles asunder.</i>	371 Waltham St., West Newton
Kinky; Born September 25, 1911; Classical, 1; Scientific, 2, 3, 4; Peirce; M. A. C.; Varsity Orchestra, 2, 3, 4; Varsity Band, 3, 4; Indoor Track, 4; Baseball, 1; Newtonite, 1; Outdoor Track, 4; Class Orchestra, 1, 2, 3;		
PHILIP SCULLY	<i>Rich in saving common-sense.</i>	3 Fairview St., Newton
Pbil; Born May 4, 1910; General; Somerville High; Cornell; Varsity Hockey, 5.		
MARY DOROTHY SUPINO	<i>Mellow moons of Old Italy whisper to me longingly.</i>	109 Freeman St., Auburndale
May; Born May 25, 1911; Stenographic; Burr; To own a villa in Florence; Commercial Club, 1; Honor Roll, 4; Gym Meet, 1.		
MARJORIE TROWBRIDGE	<i>As fascinating a woman as I've met for long years.</i>	31 Clyde St., Newtonville
Marge; Born December 23, 1910; General; F. A. Day; Leland Powers; Glee Club, 1.		
RICHARD DONEL WAGNER	<i>There was a sound of revelry by night.</i>	147 Cypress St., Newton Centre
Diek; Born January 5, 1911; Scientific; Hyde; Northeastern; To go into the advertising business; Constitutional Convention, 1; Honor Roll, 1, 5; Legislature, 1, 4; Baseball, 2.		
EDWARD HUGH WATERS	<i>Long over his books doth he toil and loves to spend the midnight oil.</i>	32 Emerson St., Newton
Soapy; Born 1910; Business; Bigelow; Undecided.		
HENRY JACKSON WEIDNER	<i>Men are often masters of their fates.</i>	48 Fair Oaks Ave., Newtonville
Jaek; Born November 11, 1909; Mathematics; F. A. Day; Harvard; Intermediate Basketball, 4; Varsity, 5; Legislature, 5.

History of the Senior Class

WILLIAM BRADFORD GOVE

THIS Class of 1929 has come to the cross-roads. For the last time we have walked through the corridors of Newton High School as pupils. Today we face life. Let us pause a moment and look back over these four years which have seen us pass through all the trials and tribulations of this scholarly existence.

"All the world's a stage
And all the men and women merely players.
They have their exits and their entrances;
And each man in his time plays many parts,
His acts being seven ages. At first the infant,
Mewling and puking in his nurse's arms. . . ."

In the class which was organized under the guidance of Miss Riley in 1925, Dora Cummings was president; John Orr, vice-president; Carolyn Lewis, secretary; and Anna Barrett, treasurer. It was in the civics classes of this group that the famous Anti-Bumming Ride Campaign was originated.

In scholarship '29 began by getting, and keeping for the year, the highest position on the honor roll as published in the Newtonite. Marion Mason ably represented her class in the Prize-Speaking Contest, where she was one of the nine finalists chosen by the process of elimination from the entire school.

"And the whining school-boy, with his satchel
And shining morning face, creeping like a snail
Unwillingly to school. . . ."

In the elections of that year, Evan R. Collins was made president; Miss Cummings, vice-president; and Rena Spain and Faith Foster secretary and treasurer respectively. Fred Burton was elected president of the Freshman-Sophomore English Club which early in the year sponsored a declamation contest for members of the two lower classes. The winner was Marjorie Birrel; Ruth Black won second prize, and John Beanfort won honorable mention.

The class began to participate actively in the other extra-curricula activities of the school. Some of the sophomores gained positions on the junior and intermediate squads, and some of the girls contributed to the success of the field-hockey and basketball teams. Among the members of the newly organized Newton High School Band were many sophomores. Members of this class gained places in the other musical organizations, and on the Newtonite Staff.

"And then the lover,
Sighing like furnace, with a woeful ballad
Made to this mistress's eyebrow. . . ."

In this, the third year of its existence, Norman Payne was chosen to lead his class. Katherine Sprague was made vice-president; Norma Morgan, secretary; and Jeannette Manning, treasurer.

Among the men who were responsible for Newton's football victories this year were the following juniors: Norman Payne, William Reilly, Francis Duane, Daniel Harrington, Joe Gilligan, Stanley Brown, Everett Scheinfein (captain-elect). The traditional junior dance, the Feminine Follies, proved as great a success as ever. The music of the B. U. Buccaneers made it one of the outstanding social events of the year.

When on February 22, at the Boston Arena, Newton's hockey team won the school's seventh championship within eleven years, this group numbered among its members the following juniors: Allie Fletcher, Harrington, Reilly, Robert Wilkie, Gilligan, Dick Gardener, Langdon Powers, and James Brown, captain.

The Newton Chapter of the National Honor Society admitted some thirty juniors. Since membership in this organization requires, not only scholastic ability, but the four essential traits of character, service, loyalty and scholastic achievement, it is with no small amount of pride that we speak of this group.

THE NEWTONIAN

"Then a soldier,
Full of strange oaths and bearded like the pard,
Jealous in honor, sudden and quick in quarrel,
Seeking the bubble reputation
Even in the cannon's mouth. . . ."

At an assembly on October 3rd, the class of '29 officially started its last year by making plans for the senior play, to be given December 7 and 8. The committee which chose was composed of Collins, chairman; Norman E. Harris, Betty Pratt, Margaret W. Warren, and W. Bradford Gove.

At the school elections, October 30th, Payne was chosen president of the senior class and of the legislature. The first vice-president was Richard W. Reynolds; the second, Barbara Nichols; the secretary, Stanley C. Brown; and the treasurer, Miss Morgan.

Coach Sullivan's outfit "brought home the turkey" from Brookline, with a score of 3-0. This victory placed Newton in a tie with its ancient rival for second place in the League standing.

"Captain Jinks of the Horse Marines" was the play chosen for the senior production this year. Miss Morgan played the part of a young opera star, beloved of C. Cushman Clapp and his two companions, G. Martyn Kingsland and John M. Hitchcock. With Miss Haworth coaching and Doctor Land at the business end, the play was an unprecedented success.

The senior "Dutch Treat" dance was given under the direction of Arthur Noble and his committee, in late November. The B. U. Buccaneers played. Paul Shannon & Company danced and sang. "Nuff sed!"

The seniors were well represented on the Newtonite this year, as is evidenced by the following group, who won charms for exceptional service: Warren T. Berry, Gove, Reed Champion, Jane M. Herniann, Marion L. Mellus, Claire B. Fisk, Collins, Miss Cummings, Calista A. MacFarland, Gertrude M. Pearsall, Mary Belle Lennox, Lorraine Phipps, P. Sidney Carter and William B. Stevenson.

Although our track team did not win the state meet, it did break two records. The relay team of Bob Ewing, Reynolds, Nate Pearson, and Kilburn Adams clipped $2\frac{1}{5}$ seconds off the record, while Ewing broke the record in the fifty-yard dash. Carl Pesceolido was an outstanding track man this year, making good records in both the shot-put and the fifty-yard dash.

Newton's hockey team, captained by Harrington, fought through a successful season, although it lost the championship. In the preliminary round in the League, it defeated every team except Melrose, who won 2-0 in a fast game. In the Arena Series Newton defeated Cambridge and tied Rindge, but lost to Melrose again, this time by a 2-1 score.

The senior talent assembly was presented late in March under the direction of Richard Stebbins, Miss Richardson coaching. At the end of the program, to the great surprise of the audience, our old friend Mr. Bacon walked in and said "Hello" to the class.

The girls' basketball team closed a successful season in a game with the alumnæ. Among the outstanding senior players this year, are Katherine Locke and Emily Dunleavy. In hockey, too, Miss Dunleavy proved herself a good player. Other successful players were: Ann Baker, Miss Mellus, Margaret Warren, Miss Locke, Miss Pratt, and Mary Moriarty.

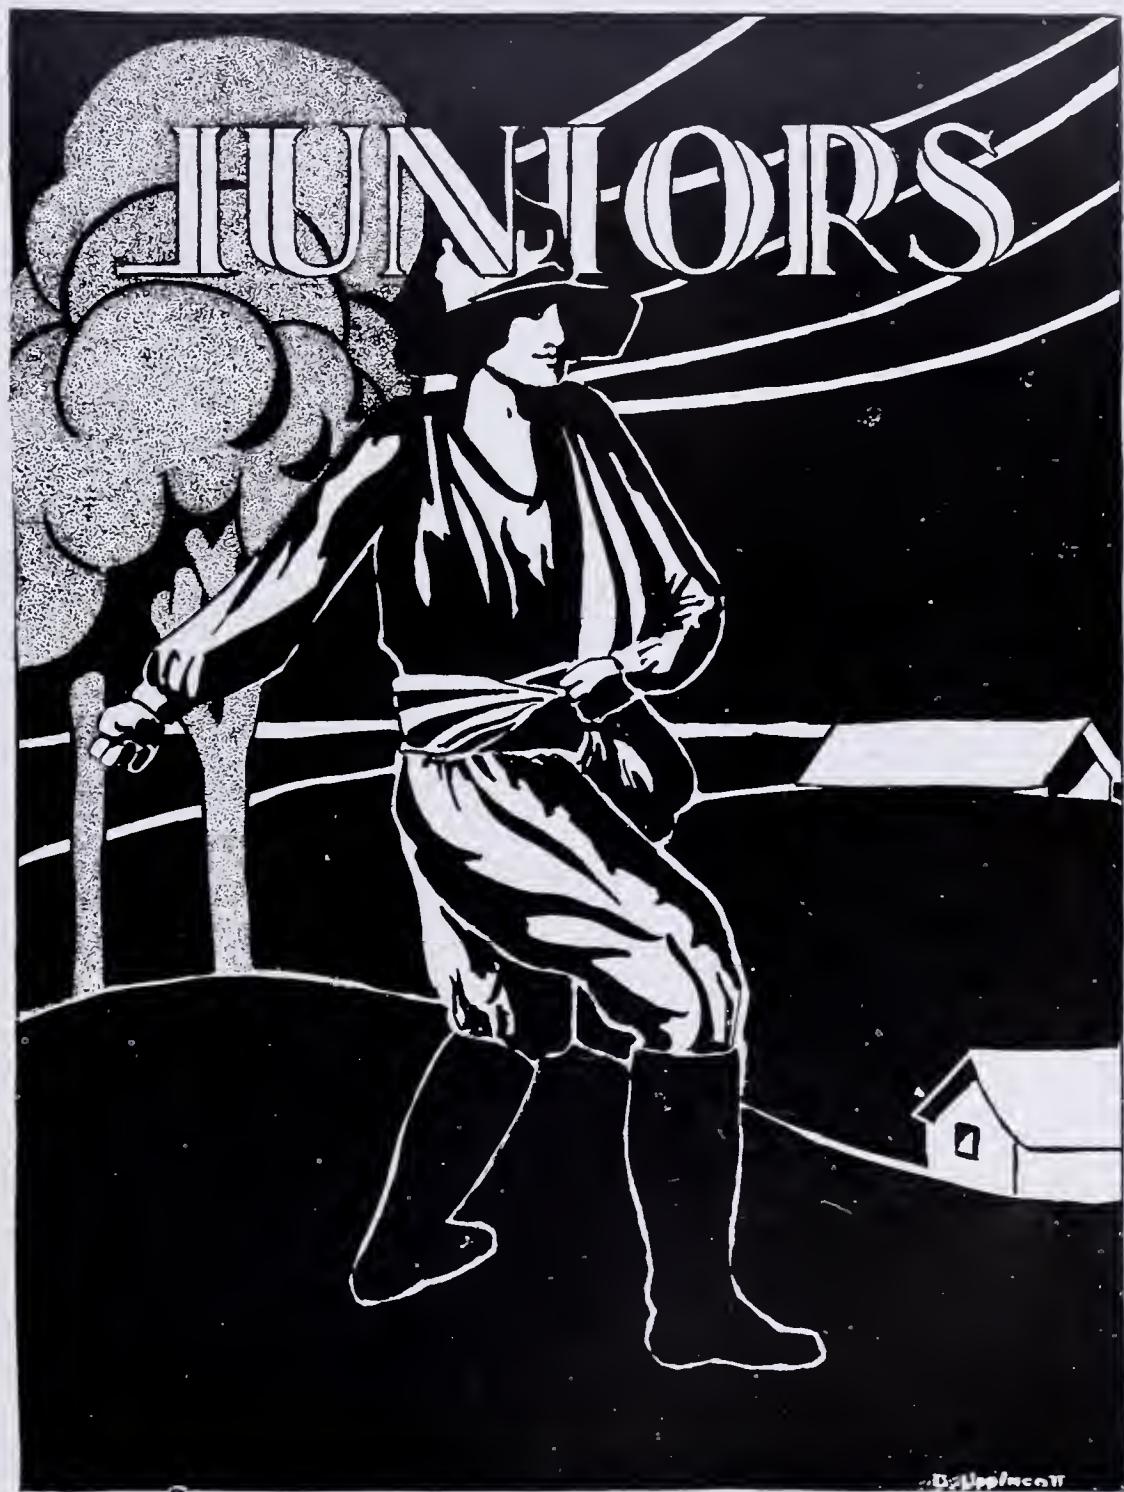

Last, but by no means least, the Honor Society claims our attention. Some twenty-five members of the class were accepted into this organization at the last drawing in April.

So have the first four acts in this play of life passed. Let us leave Newton High School better prepared to continue through life as we follow the Avon bard's stage-directions:

"And then the justice,
In fair round belly with good capon lined,
With eyes severe and beard of formal cut,
Full of wise saws and modern instances;
And so he plays his part. . . ."

History of the Junior Class

MARY ALICE EATON

WHEN we look back at the world which, as freshmen, we decided to conquer, we realize that we did not boast in vain. After our get-acquainted party in September, we elected Phillip Giddings for president, with George Hutchinson vice-president; Doris Benson, secretary; and Dorothy Bowen, treasurer. The freshmen were invited to participate in athletics and to join the Alpha Beta and the Home Economics Club. In the short story contest for classes IX and X, sponsored by Alpha Beta, two freshmen, Catherine Thompson and Olive Riley, won first and second prizes respectively.

As sophomores we accomplished much more. At the annual election of officers we chose James Benson for president; Fred Schipper, vice-president; Helen Brooks, secretary; and Rena Spain, treasurer. All year the sophomores vied with the upperclassmen for first place on the scholarship roll, as printed in the Newtonite, at the end of each marking period.

The junior Drama Club, an organization formed this year for the first time in the life of the school, accepted eleven sophomores as members. This club serves as a feeder for the senior Drama Club by giving the would-be actors a preliminary training in stage-craft. The members of this class were active in Alpha Beta and two of its officers, Spencer Rockwood and Miss Brooks, were chosen from our ranks.

During National Book Week, the class put on a student talent assembly to entertain the freshmen. Later in the season the class held its annual gym dance.

In athletics the girls led the seniors a merry race for the hockey minerals, but were defeated in a final fast game with a score of one to nothing. Five girls won places on the varsity squad, which closed the season undefeated. In the girls' tennis tournament Marjorie Morse, Esther Turner, and Elizabeth Perry ably represented the sophomore class. At the annual gym meet, much to the surprise of the upper classmen, the tenth-graders tied with the juniors for first place.

Now as juniors we have come into our own. We elected Benson for president, Miss Spain, vice-president, Eleanor Bingham, secretary; and Helen Morgan, treasurer.

Juniors have become members of all the major organizations of the school; some twenty-five young actors have been honored with membership in the senior Drama Club. The Newtonite, the official weekly paper of the school, has had many juniors on its staff. From this class has been chosen its board of editors for next year. Giddings was made Editor-in-chief, and Fred Wing, the new business manager, and Constance Potter received Newtonite charms, an honor conferred upon students who have rendered the paper exceptional service.

Frederick Burton, the only junior to reach the finals in the annual junior-senior Prize-Speaking Contest, captured first prize with his rendering of George Lippard's "The Unknown Speaker." Twenty-five juniors have had the honor of election to the National Honor Society which, for its requirements, has superiority in the four essential qualities of character, service, loyalty, and scholastic ability.

In athletics the juniors have starred. The success of the girls' hockey team is partially due to its junior members: Miss Spain, Natalie Welch, and Barbara Goodrich. The junior class basketball team played a successful season.

In the boys' world of athletics the juniors have won positions on all of the major teams. In boys' track there are Charles Hall, John Mullen, Nathan Pearson, and Fred Burton, next year's captain. Gordon Naylor gained a position on the tennis team. Next year's captain of hockey is Schipper, who skated his way through many a fast game this year. Ellsworth Lawrence has proved his worth in basketball, and Mullen and Schipper made their letters in varsity football, together with Phil Andres, Bill Bell, Henry Furden, Tom McEnany, Frank Perry, and Gardner Reynolds, manager. In baseball we can do little more at the time of this writing than conjecture, but if past experience is anything to go by, the juniors will be well represented this spring by a successful team.

We have finished our apprenticeship. With our triumphs in scholarship and athletics and with our success in extra-curricular activities, we look forward to leading Newton High next year in a manner worthy of its noblest traditions.

History of the Sophomore Class

AN article by Monsieur Artes, in "Le Petit Journal," of Paris, France. (Translated by Laurence A. Jump.)

On my recent trip to that great land of opportunity, the United States, I heard of an excellent high school in a town called Newton. As I was interested in education, I decided to visit this school. When I met the principal I immediately heard of an outstanding group, the class of 1931. I determined to find out more concerning this group, so I first visited a French class. Mon Dieu! what a jumble of pronouns and adjectives met my ears! Being unable to understand their "French," I left to meet some of the teachers and to learn a little about the sophomore class. I entered a room, and, as it happened, the teacher was not busy. She related how the students united by a get-together party, in the fall of 1927, and how later they had elected Norman Adams, Charles Bassett, William Dunn, and William Perry, as president, vice-president, secretary and treasurer, respectively. I was astounded to learn that a girl was allowed to compete in a speaking contest; nevertheless, I was glad to hear Cynthia Jump, a member of '31, had won against seven other finalists, all members of the class of '30.

Continuing, the teacher said that during this present school year, the sophomores had made many fine records. In the course of our conversation, I found that this year's officers were: president, George Hildreth; vice-president, George Defren; secretary, Florence Bell; and treasurer, Virginia Josselyn. Another fact that surprised me not a little was that they held an assembly by themselves, in which the principal speakers were the president, the treasurer and the chief usher, Walter Abbott.

Later, in the girls' assembly, a loving-cup was awarded the sophomore girls for having the greatest number participating in the different sports. Also, some forty-five numerals were awarded. This teacher went on to tell of the athletic victories that the sophomore girls had won. (I suspect M. Artes means the winning of the intramural games with the freshmen, the receiving of their numerals for the defeat of all classes in field-hockey, the exceptionally fine record they made in basketball by defeating Wellesley, Needham, Waltham, and Belmont, and the hard fight they gave the Juniors for first place in the annual Gym-Meet). The boys of this class also had gone far in sports, having several members on the track, football, and basketball teams.

By this time I had a burning desire to know all this super-class was doing, and, since I had heard a little concerning clubs, I thought there must be some sophomores in these. I was not wrong for the freshman-sophomore Drama Club had two sophomore officers, Richard Wit, president; and Elizabeth Tucker, secretary; and had given as many as three plays during the year. In Alpha Beta, the English Club, the president was Elizabeth Tucker, and the secretary, Cynthia Jump. The Aviation Club had Richard Lawrence as treasurer. This noted class was also successful in journalism. Several of its members were on the staff of the school paper, while the rest frequently contributed both poems and essays. Their annual dance was a great success, so I am told, in that everyone entered into the spirit of the affair.

I was sorry that I had to leave so soon, as I rather wanted to learn something about the other classes; however, I believe my time was quite profitably spent. I often think, here in France, of cette classe merveilleuse de dix-neuf cent trente et un. (I cannot improve on this phrasing).

History of the Freshman Class

JOHN MALLEY

STUMBLING along, with their faces shining from paternal ablutions, their little shoes brightly polished, and their brand new school clothes loudly announcing their inexperience, the new freshmen came to Newton High. With their happy smiles they made the rounds that first day. Few were lucky enough to make every class without mishap, but teachers were kind, and once in a while some upper-classman would send them in the right direction. My, how awe-inspiring those upper-classmen seemed! How nonchalantly they walked those sacred corridors, calling to one another and talking at the top of their lungs. To be a senior—ah, what glory could be more pleasing?

Within a few days something of this freshness began to wear off. Those mighty seniors seemed not quite so awe-inspiring, and the juniors, in spite of their haughty aloofness — well, they were human beings after all. The sophomores seemed like very nice people, most of them. Of course, some few still tried to play tricks on the unsuspecting frosh, but this little berry had lost some of its greenness, and the tricks didn't work as well as they had the first day or two.

Soon election time came on, and the school was full of politics. The freshmen elected Ralph Bixby as president, with Betty Benson, vice-president; Phyllis Baker, treasurer; and Eliot Robinson, secretary.

Because of the work being done on the field, there was no room for a freshman football team, but this loss was made up for by a good basketball team which played through a very successful season. The letter winners were E. Prowter, O. Collins, J. Foley, S. White, H. Simone, B. Whelton, G. Ryerson, E. Winslow, T. Lyons, L. Pillion, R. Peakes, R. Daniels, J. Estey, R. Gilmore, R. Lambert, U. Arbuckle, C. O'Connor, and D. Stimpson, manager.

The girls had field hockey and basketball teams which were very successful, and which later competed in the annual girls' gym meet, where they made good showing against the other classes of the school.

The freshman class was represented in the Freshman-Sophomore Prize-Speaking Contest and in many of the clubs, as well as on the Newtonite and in the various musical organizations of the school.

The Class of 1932 is no longer the freshman class. They have passed through that stage successfully and are now full-fledged members of Newton High School's great student body. In a few more years they will be the leaders of still more underclassmen. May they take a lesson from their own experiences that may make them better able to rule in their turn.

The Associates

President, NORMAN PAYNE

Boys' Vice-President, EVAN COLLINS

Girls' Vice-President, BETTY PRATT

Treasurer, BARTLETT NICHOLS

Clerk, DANIEL HARRINGTON

THE Newton High School Associates, composed of the entire student body, acts through a legislature to which representatives from the home rooms are elected. This has been organized with the purpose of directing school activities, such as granting charters to clubs, giving financial aid, supervising civics, music, athletics, dramatics, and the school publications.

During the past year the legislature has met on the first Wednesday of each month in the lecture hall, as has been the custom for the past two years. In this way the attendance has been nearly perfect, and the meetings did not conflict in any way with department days and extra curricular duties.

Early in the year the legislature recommended to the executive council that the awarding of sweaters in athletics be abolished. The cost of the sweaters rested with the associates and it was rapidly putting it in debt to an extent from which there was no hope of recovery.

Just recently the Associates passed a ruling that all eligibility other than inter-scholastic athletics and attendance shall be put on an equal basis; that is, that pupils be required to pass in all subjects and carry fifteen or more credits of work.

At its last meeting a motion was passed which will limit the number of offices which one person may hold. The motion reads that no student shall hold two five-point elective offices during a school year.

Other services, such as trying to protect the lawns about our buildings and raising money for Christmas dinners for needy families in Newton were part of the work of the Associates. Arm bands for the traffic squads were purchased by the Associates.

The organization of the Associates has been in existence as a body for only three years and, while still rather young, it is filling a place of real service in the school.

Warren

Smith

Collins

Bates

The National Honor Society

President, EVAN COLLINS

Vice-President, MARGARET WARREN

Secretary, BETTY BATES

Treasurer, CHARLES SMITH

THE Newton High School branch of the National Honor Society entered upon its third year with a large membership for an organization of its type. According to the national rules, the members are selected toward the close of the school year by the teachers, from the upper 25% and 15% of the senior and junior classes respectively, on the basis of scholarship, leadership, service, and character. Those chosen from the senior class are, of course, soon debarred by graduation from participation in the club's activities.

At the first meeting of the society in 1929, the following officers were elected: president, Evan R. Collins; vice-president, Margaret M. Warren; secretary, Betty Bates; treasurer, Charles E. Smith, and selections from the constitution were read. Miss Rideout, the faculty adviser, emphasized the fact that the club was not social, but an organization to promote scholarship and service. Ways and means of serving the school were discussed.

One means of service was ably demonstrated during National Education Week in November when members of the Honor Society ushered visitors around the school. On Parents' Night especially, many guests were directed.

During the latter half of the year, three meetings of the Society were held to discuss plans for the annual Induction Ceremony. It was voted that the exercises follow the same general plan as those of the previous year, and committees were appointed by the president to arrange the details. The Ceremony, which took place on April 17, was concluded by the Rev. Boynton Merrill's address on "Towering Foundations."

Newtonite

UNDER the leadership of Warren T. Berry as editor-in-chief, Mr. Rohrbough, Mr. Birningham, and Miss Gertrude Robinson, as faculty advisers, the seventh volume of the Newtonite has been successfully brought to a close. It has fulfilled its two-fold object: that of furnishing an accurate news service to every department of the school, and to offer an outlet for all creative writing and manifestations of student opinion. It has also retained its standard as one of the most carefully made up of the country's school newspapers.

In a school as large as Newton, a unifying force such as the Newtonite is invaluable. It has furnished news of all kinds in a comprehensive view of the school's activities.

The newspaper also offers to those pupils who have sufficient ability and a persistent interest, an opportunity to gain experience in creative work and to acquire training under admirable conditions.

The Newtonite sponsored Rollo W. Brown who spoke on "The Romance of Being a Student" in the home room period, May 22.

The Newtonite charm, for exceptional service, was presented to the following pupils: Warren Berry, P. Sidney Carter, Reed Champion, Evan R. Collins, Dora Cummings, Claire B. Fisk, W. Bradford Gove, Jane H. Hermann, Mary B. Lennox, Calista H. MacFarland, Marion L. Mellus, Gertrude F. Pearsall, Lorraine Phipps, William B. Stevenson, Constance P. Potter, and Fred Wing.

The Orange Book

THE Orange Book, a school manual compiled by the junior class under the guidance of the Newton High School Associates, has in previous issues given in some detail the history, traditions, and aims of the school. Although the chief reason for its origin was to acquaint freshmen with the rules, requirements, and customs of Newton High, the Orange Book has been a profitable subject for study on the part of all pupils.

It is extremely useful to the entire student body in that it contains statistics and a brief history of all extra curricula activities. In it is printed the Constitution of the High School Associates. Thus it serves as an authority on school life, and is often used as a text-book for freshmen Community Civics classes.

The cheers and songs of Newton High School, with which every freshman should be familiar, are printed in full in the Orange Book.

Every year there is a new feature added to the Orange Book. The 1928-29 issue gave the schedule of activities for the year, a most helpful bit of official information about the time and place of meeting of the various school clubs.

Carefully revised each year, the Newton High School Track and Field records are kept up to date.

Perhaps most useful of all is the school calendar which appears on the last page announcing the important events of the coming school year. Information about the dates of the plays, dances, and contests, makes possible tentative plans for the social life of the school year.

Next year's work, under the editorship of Archie McKillop, '30, has already begun, and a fine publication may be expected.

Senior Play

ON December 8 and 9, the seniors presented "Captain Jinks of the Horse Marines." Under the able direction of Miss Haworth and with Norma B. Morgan and C. Cushman Clapp playing in the leads, Clyde Fitch's romantic comedy swaggered through two successful performances. Charles La Martine and the "lardy-dah" Augustus Bleeker Van Vordenburg, the two comrades of Captain Jinks, were admirably played by G. Martyn Kingsland and John M. Hitchcock, respectively.

Anna Haven made a resplendent Mrs. Greenborough, the talkative companion of Madam Trentoni, the young opera singer, played by Miss Morgan. The part of Professor Belliarti was taken by Paul J. Petitmermet, who managed to make the old, eccentric man perfectly realistic. Mrs. Jinks was a true old aristocrat as interpreted by Lydia Moses and Peter, as played by William H. Callahan, was the prototype of a hard-headed newsboy-page. No small part of the play's success is due to the some twenty-five minor characters, reporters, newsboys, sailors, ballet-dancers and what not, who made a splendid background for the main characters.

Few of the actors in this long-to-be remembered production will forget the monkey and the bull-dogs which lent such an air of reality to the scenes. The scenery, too, is worthy of comment, as were the costumes, which required an extraordinary amount of the committee's time, although the results proved the time well-spent.

Doctor Land and William H. Haines, faculty and student business managers, bore no little responsibility. Much credit for the financial success of the production is due them, as is also due Evan R. Collins, the chairman of the play committee, for his unending work and competent management.

Drama Club

THE Drama Club has just ended its fifth successful year. It has produced the first Shaw play to be given at Newton High School, and has given two one-act plays. This year's officers were Evan R. Collins, president; Mary B. Lennox, vice-president; Barbara Thrall, secretary; Richard K. Hapgood, treasurer.

"The Devil's Disciple," by Bernard Shaw, was presented March 16 and 17. Evan Collins took the part of Dick Dudgeon, "The Devil's Disciple," the black sheep of the family, who turns out to be the finest member of it. The heroine, Judith Anderson, the minister's wife, was played by Barbara Nichols. Other important parts were taken by Isabel White, Marshall Glazier, Francis Ober, and George Rath.

At the December meeting the Club gave "Why the Chimes Rang," by Elizabeth McFadden, which was repeated a week later at the All Club Christmas Party. This was coached by Barbara Nichols. In January, Miss Flora E. Smith talked to the club on drama. "The Twelve-Pound Look," by Sir James M. Barrie, and a miscellaneous program were given at the February meeting, coached by Sylvia Parks. The season ended with the May meeting, in the production of "The Kleptomaniac," and "Woman's Weakness" written and presented by Francis Ober.

The Varsity Orchestra

THE season of 1929 has been highly successful from the standpoint of the varsity orchestra. It began the year well and has maintained an average attendance of sixty. John Richmond was elected president and John H. Richardson has served as librarian.

The orchestra furnished music at the faculty play, the Prize-Speaking Contest, the senior play, the Drama Club play, the graduation dress assembly, the Outdoor Concert, and at several class assemblies. In May, it was entered in the State Festival of Music which was held at Newton this year.

Because of the exceedingly full program of the orchestra, it was decided not to follow the custom of presenting an annual concert.

The Band

THE Newton High School Band was originally composed of ninety members, but as this seemed to our conductor, Mr. Spaulding, to be rather large for handling, he divided it into two bands: one the varsity and the other the second.

The annual band concert this year was honored to have Walter Smith, a well-known trumpeter, play several numbers during the program. Throughout the year the band assisted at several assemblies which gave it a chance to play before an audience and at the same time lent interest to the programs.

In May, the band was the host of musical organizations from all Massachusetts that came to Newton for a contest. The culmination of a successful year's activities came in the outdoor concert in June.

English Club

MR. SAMUEL THURBER has acted as faculty adviser of the English Club during the past year, taking the place of Miss Louise Richardson, who is now Chief Adviser of Clubs. At the first meeting the following officers were chosen: president, Margaret M. Warren; vice-president Richard K. Hapgood; secretary, Jeannette F. Manning; treasurer, Barbara Nichols.

At the Christmas All-Club Party held in the Gymnasium on December 19, the English Club gave jokes and limericks to the various prominent members of the school and to some of the teachers. Several interesting programs have been carried out, including playlets by members, a book-title guessing contest, and a talk on Oxford University by Miss Haworth. The club was particularly fortunate to have Professor Lombard, an authority on Shakespeare, speak on Macbeth.

The club voted to give ten books to the library, which were selected by Miss Bigelow in conjunction with an appointed committee.

The high point in the year's activities was the Prize-Speaking Contest on April 12, which was attended by over 800. For the first time a writing contest was held with it, including short story, poem, and essay writing. At the performance, the speaking was followed by announcement of the winning authors and a short play was presented by members of the club. Barbara Randlett, '29, won the girls' cup, while Frederick Burton, '30, was awarded the boys'. The successful author's were, for the story, Arnold Woodword; poem, Dora Cummings; essay, Bradford W. Blackman. A successful year was capped by the annual club picnic in May.

Alpha Beta

THIS year, the Alpha Beta had a plan of organization different than it has ever followed since its founding in 1922 by Mr. Samuel Thurber. Due to the suggestion of its present faculty adviser, Miss Caroline MacDonald, it has been divided into five divisions. Its aim is still to provoke a greater interest in reading, speaking, and writing, but the members have been allowed to choose the group in which they are interested and which they wish to join. The groups are Drama, led by Miss MacDonald; Public Speaking, by Miss Jones; Shakespeare, Mr. Rinker; Creative Writing, Miss Rideout; and Library, Miss Robinson.

At the first meeting in November, candidates for officers were nominated, and later the following officers were elected: president Betty Tucker, '31; vice-president, John W. Foley, '30; secretary, Cynthia Jump, '31; and treasurer, Lois Winslow, '32. At all the meetings, the groups meet in different places, and at 3.15 they adjourn to the lunchroom for a business meeting, entertainment, and refreshments. The club participated in the All-Club party in December, and the first tryouts were held for the freshman-sophomore prize-speaking contest, the finals of which were on May 15. The entire club, but especially the Public-Speaking section, sponsored this contest.

Freshman-Sophomore Drama Club

THIE freshman-sophomore Drama Club's progress increased greatly over last year's. Owing to the eligibility ruling, many of those who were admitted to membership at the tryouts were unable to attend the regular meetings, and the average membership dwindled from thirty-five members to about fifteen. However, the club made the most of the remaining material and was able to produce three plays during the year. The officers were as follows: president, Richard Wit; vice-president, Thelma Gray; secretary, Betty L. Tucker; treasurer, Owen D. Collins. The debut was made at the Christmas assembly, when a simple, yet effective, one-act play was given, entitled "The Spell of Christmas." This was the only performance given in the assembly hall; for the others the library was used. In February a one-act farce was presented, named "Wurzel-Flummery." Two months afterwards "Riders to the Sea" supplied the entertainment at the regular meeting. Plans are being made for another performance, and perhaps one play will be presented to the Drama Club before school closes.

French Club

LE CERCLE FRANCAIS, the club of the French Department, is a small club of about thirty members. The officers were: president, Virginia Dow; boys' vice-president, Fred A. Wing; girls' vice-president, Mary Wakefield; secretary, C. Louise Kimball; treasurer, C. William Loud. Generally games are played and plays and stories read. One of the most interesting meetings was held on February 13 when Mr. E. L. Talbot gave a lecture on "The Highways and By-ways of Paris" illustrated by many entertaining and amusing slides. This meeting was open to all students.

Alpha Gamma Tau

THE purpose of Alpha Gamma Tau, the mathematics club, is mainly to strengthen and increase the interest in mathematics. Those eligible for membership are seniors, juniors, and those sophomores who have maintained an average of A through the first two marking periods.

Those elected to serve as officers were: George Duffield, president; Kilburn Adams, vice-president; Priscilla Bacon, secretary; and Wendell Allen, treasurer.

A few meetings were spent in doing various practical problems and puzzles. Mr. Mergendahl interested the club at one meeting by explaining the Probability Curve. The club postponed one of its meetings so that it could attend the movie given by the Civics Club. At another meeting the use and principle of the adding machine were explained.

Spanish Club

THE Spanish Club is a small organization open only to second year students of Spanish who meet the Orange Book requirements for club eligibility. Its officers for this year were: president, John M. Hitchcock; vice-president, Samuel Wilkinson; secretary, Barbara M. Dalton; treasurer, Virginia M. Hatch.

The club aims to promote interest in the Spanish language and customs. Mr. Argento, faculty adviser, has recounted numerous incidents in Spanish life to associate the members more closely with Castilian ideas.

There were interesting programs throughout the year by the entertainment committee, which was composed of Lorraine Wilkinson and Robert G. Cox. The main features of interest were Spanish music, dialogues, poems, jokes and games.

The Social Studies Club

THE club was formed in order to give an opportunity for self-expression to pupils interested in History, Government, and other relative subjects. Membership is limited to two pupils from each division of Social Studies classes. This year's officers were: president, Floyd P. Robbins; vice-president, Richard A. Plouff; secretary, Richard T. Wales; treasurer, Charlotte C. Douglas.

During the year this organization entertained Mr. Sterling Williams, who presented an illustrated lecture on his travels in Europe. It assumed the responsibility of bringing to this school several films of American history, pictures from the chronicles of America series, and it invited to speak at one of its regular meetings Miss Bessie Kimball of the Immigration Bureau.

The club has invariably entertained at its meetings groups of pupils from classes studying the theme under discussion. In this way it hopes to serve the interests of the school in a broad way.

Stage Committee

THE stage committee is composed of Nelson C. Bell, William H. Barkley, Carl Forbes, Arthur L. Gates, Elizabeth T. Hammond, John O'Neill, Frank Thompson, Denman Thompson, and Betty E. Muther, under the capable direction of Mr. Green and Mr. Peterson.

During the past year they have put up sets and done numerous odd jobs of painting, wiring, dressing and handling the stage for almost three hundred assemblies, rehearsals, plays, and concerts.

They have gained valuable experience in the work, as the Newton High School stage is unusually well-equipped with four indoor sets and one outdoor, cyclorama and excellent lighting facilities through which all types of color effects can be secured.

The projecting machine, the stereopticon and the spot light are managed from the booth by Mr. Peterson with the assistance of Denman Thompson and Betty E. Muther.

Aviation

THE Aviation Club was organized this year under the direction of Herbert Tinker, the club adviser, and met with a great deal of interest in the school. The officers were: John Harman, president; Kilburn Adams, vice-president; Gertrude O'Flaherty, secretary; Richard Lawrenee, treasurer. The monthly meetings have been devoted to the discussion of different aspects of aviation and the construction of model planes. One of the chief objectives of this year's club was to have each member construct at least one flying model. This aim was realized by a majority of the members, and many excellent models were completed and flown and exhibited at the contest held in the spring.

The club work is not, however, limited to model making. Several instructive programs were presented dealing with modern aviation. One of the most interesting of these was supplied by Sergeant John Kennedy of the 101st Observation Squadron, 26th Division, Air Service who talked to the club on aerial photography.

There is a growing interest in aviation and it is the hope of the present club members that the school will give a corresponding support to this organization in future years.

Radio Club

AT the first meeting of the Radio Club of Newton High School, each prospective member filled out a blank on which were suggestions for club meeting procedure. These blanks had been prepared by Edwin I. Pitt, the faculty adviser of the club.

The next meeting the following officers were elected: president, Ralph Orill; secretary, Salvatore Di Russo; treasurer, Richard Harris. From that time on, it was the purpose of the officers to follow, as closely as possible, the suggestions checked by the members.

A short time after, a Hammarlund-Roberts Hi-Q 29 receiver was assembled and heard by the boys. On March 4th, the teachers and pupils of the Vocational School listened to the Presidential inaugural exercises through the same receiver.

The club members inspected the "Radio Room," located in the basement of the Technical Building and used by Vocational Electrical students who are interested in Radio.

Soon a discussion concerning short-wave reception was brought up and the conduction of a short-wave receiver was started. A short-wave manager was also elected.

Plans have been completed by Mr. Pitt for the installation of loud-speakers in the gymnasium and auditorium. These loud-speakers, when used in conjunction with a microphone working into a "Sampson Pam" amplifier, will enable a large audience to enjoy the June graduation exercises.

Thus a successful future seems assured for the Newton High School Radio Club.

Home Economics Club

THE purpose of the Home Economics Club is to increase the interest in all Home Economic subjects, and to further the co-operation of the girls therein. There have been seven meetings this year and as in the past year, they have been held on the second Thursday of every month. Officers were elected as follows: president, Florence M. O'Hara; vice-president, Irene N. Griffin; secretary, Dorothy R. Stanfield; treasurer, Barbara H. Carter.

Its activities have proved to be very interesting as well as instructive. They included a trip to the Modern Priscilla Proving Plant, a talk accompanied by moving pictures on Tuberculosis, and a most fascinating story of the manner in which the Europeans live and dress. A visit was made to the Brookline Domestic Science Club and parties prepared by our various committees were given. At the last meeting slides were shown which gave valuable instructions for sewing.

Varsity Glee Club

LATE last spring the Varsity Glee Club was begun under the direction of Mr. Charles B. Harrington. This club is for the purpose of giving extra training to those pupils in the school who have the best voices. At an assembly, cards were distributed on which those who could carry a part and were interested in singing signed their names. Three hundred and fifty candidates were tried out for the club.

In the fall forty of those who had passed the tryouts were organized into the Varsity Glee Club with Lorraine Phipps as president and James Mariner secretary. During the year this club has met on Mondays in the lecture hall for rehearsals. Like the varsity band and orchestra, work in this club is given a one-point credit for the school year.

The first public performance of the glee club was at an assembly May 1. Mr. Harrington is planning more concerts for next year. The one thing most needed is a goodly number of male voices to make a still more successful year than this.

Library Club

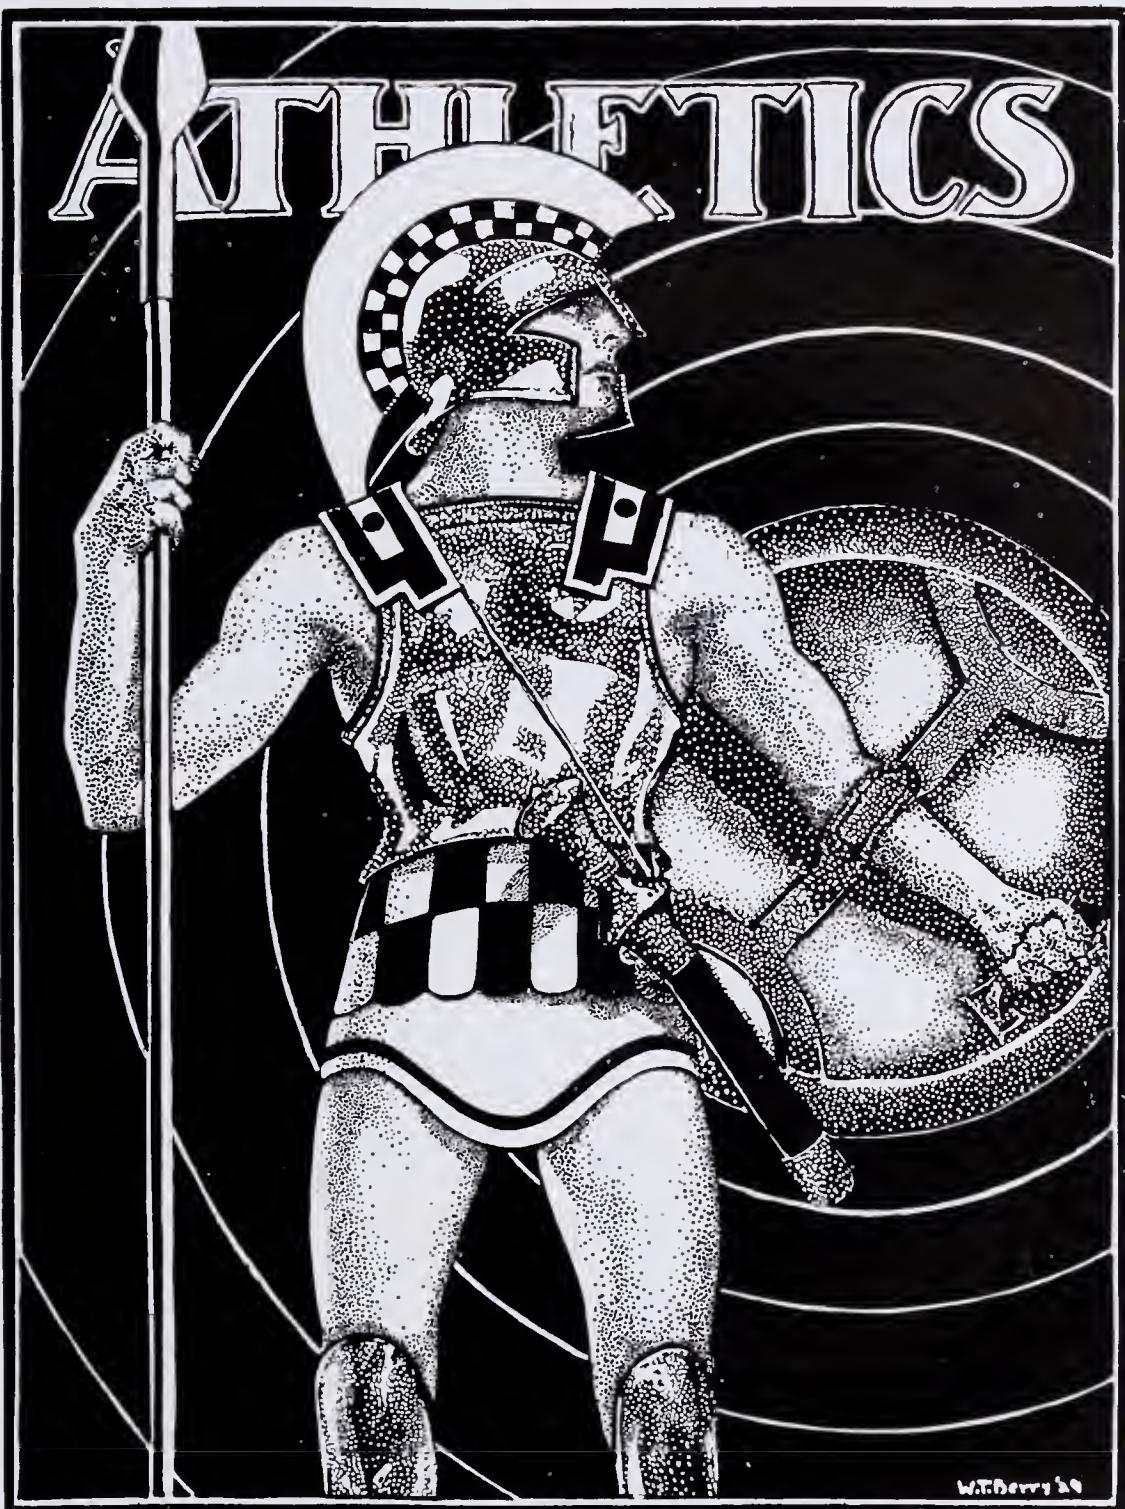

THE Library Club, which has completed its sixth year as an organization of Newton High School, has an enrollment of twenty-five girls chosen from the junior and senior classes, on a basis of high scholarship. By checking off books, stamping and arranging the periodicals, filing slips, pasting and clipping items for the bulletin boards, replacing books on the shelves, checking overdue books, and by performing countless other small tasks, the Library Club renders helpful assistance to the librarian. The girls carry out their assignments before and after school, and not infrequently during study periods.

On the second Thursday in each month the club assembles for a business meeting followed by a social hour, during which the members present an entertainment and partake of refreshments. The officers are president, Margaret M. Warren; vice-president, Hazel Wood; secretary, Eleanor Bingham; treasurer, Mandie H. Chase.

Early in January, the girls with Miss Bigelow, faculty adviser of the club, attended a matinee at the Wilbur Theatre where they saw "The Royal Family."

Members for the ensuing year were welcomed at the last meeting, which was held in May.

NINETEEN TWENTY-NINE

Football

Manager, GARDNER REYNOLDS

Captain, EVERETT SCHEINFAIN

Coach, JOHN S. SULLIVAN

THE Orange and Black defeated Belmont in the opening tilt of the season, 26-0. Newton worked the passing game to great advantage, gaining many yards via the air. Duane was high scorer, scoring three touchdowns and aiding in the other. The eleven next met Cambridge Latin in the first Suburban League contest and was victorious 11-0. In the annual Columbns Day League game with Everett, the Coach Gildea lads were forced to their utmost to defeat the Orange and Black. On the first play of the game, Pescosolido picked up a loose ball and ran for a score. Everett scored twice soon after and was barely able to keep the advantage, winning 14-9.

Through Beverly's eagerness, Newton was able to add another victim to its list, Beverly having an end offside in the attempt to block the kick after a touchdown. The Garden City team was victor in a close game, 7-6. In the third Suburban League game, Somerville was winner, through the ability of the backs to give good interference. In the sixth contest of the season, the heavier Medford eleven decisively whipped the Orange and Black 19-6, a wet field causing many fumbles. Playing the fourth League game of the season, Newton was defeated by a heavy Rindge team, 13-0. Next week, as was the case in previous games, a heavier opponent defeated a lighter Newton team aggregation, Waltham winning 14-0, after being held for two periods. Joe Gilligan's punting and running back of kicks gave the Newton rooters something to cheer about. To close a somewhat dubious season, the inspired Orange and Black team defeated the ancient rivals, Brookline, 3-0. Duplicating the feat of the previous year, Joe Gilligan placed the pigskin squarely between the uprights in the second period. The Wealthy Towners were swept off their feet by the rushing of the Newton line. The team won three games and lost six, the eleven scoring 65 points against 61 for the opponents. Pescosolido, Gilligan, Duane, Perry, and Andres were the backfield men, while Payne, Chamberlin, Reilly, Boughan, Robblee, Gardner, Scheinfain, and Siegner played the line. To Coach Sullivan should go credit for the team's inspired play throughout the season.

Ice Hockey

Manager, BRADFORD BALDWIN

Captain, DANIEL HARRINGTON

Coach, DR. OSCAR MARTIN

NEWTON'S attempt to win its eighth victory in the Interscholastic Hockey Championship failed when the sextet lost to Melrose, 2-1. The ice team defeated Cambridge Latin in the opener of the series 1-0 but Rindge put up a great fight and obtained a tie. Then came the Melrose game on Washington's birthday. After obtaining a 1-0 lead, Melrose scored on a nice shot that passed Harrington in the net. In the third period, from a faceoff at quarter ice, Melrose scored the winning goal, the shot entering the cage about waist high. Newton defeated every League rival except Melrose in the preliminary round. Arlington opened the season and went home with a 3-0 defeat. Cambridge came next and was vanquished 6-0. Milton and Middlesex furnished good opposition but were beaten 3-2 and 2-0 respectively. Stoneham, Woburn, and Rindge were all beaten in one week, the scores being 4-0, 3-0 and 2-1. Then came two reverses one by Melrose 2-0 and by Exeter 1-0 when Newton faced a team boasting of Frank Spain and Bob Bennett, former Newton stars. Brighton, St. Mark's, and Belmont were all defeated in fast games and New Prep succumbed after a great overtime struggle. In matches with Freshman teams the sextet lost to Yale and defeated M. I. T. Then followed the Round Robin in which Newton defeated Cambridge, tied Rindge, and lost to Melrose.

The Orange and Black closed the entire season with thirteen victories to their credit, one tie, and four defeats. The team, weakened by the loss of Frank Spain, played a very creditable schedule losing only two games to high school teams, both being to Melrose. The hockey team placed two men on the Suburban All-Scholastic Hockey Team, "Hecker" Harrington at goal and Joe Gilligan on defense. The squad was composed of Bell, Brown, Fletcher, Nichols, Pratt, Schipper, Scully, Reilly and Wilkie, forwards; Andres, Gardner, and Gilligan on defense, and Harrington in goal. Fletcher led the team in scoring, getting sixteen goals and Gilligan came next with six. Fred Schipper, wing on this year's team, was elected to the captaincy for the 1930 season. Great praise is due Doctor Martin for the fine showing offered by the sextet.

THE NEWTONIAN

INTERMEDIATE BASKETBALL

JUNIOR VARSITY BASKETBALL

Basketball

Manager, JOHN HITCHCOCK Captain, NORMAN PAYNE Coach, RAYMOND GREEN

ALTHOUGH this year's basketball team was not very successful as far as victories were concerned, the results were very satisfactory and show that the sport is gaining in popularity, and Coach Green is building up for strong quintets in the near future. Newton lost its initial game to Watertown, 27-17. Ham was high scorer with nine points. Malden took Newton into Camp, with a 26-8 victory, and Milton Academy nosed out the Orange and Black, winning 18-16. On January 18, Newton bowed to the strong Rindge quintet, 23-9, but came back in good form and registered its first victory, barely defeating Beverly, 18-17. Everett gained a 24-17 decision over the Orange and Black quintet, and Arlington, one of the leading contenders for the state championship, just managed to turn back Newton, a last minute basket sending an inspired Newton team to defeat. Captain Payne led the attack with thirteen points. On February 1, Watertown registered its second victory over the Garden City Team with a 22-14 margin. Rindge followed suite, managing to win by a score of 25-18. Beverly turned the tables on Newton in a return game, whipping the Orange and Black decisively, 22-12. On February 13, Arlington played invincible basketball and easily defeated Newton, 39-17. The Orange and Black played a heads up game and registered a clean cut victory over Belmont on February 15, 22-12, but fell before a strong Cambridge offense, losing 19-17. Everett chalked up its second victory over the Garden City outfit, 35-24, and Belmont reversed the decision of the previous encounter, winning a slow game 15-12. Cambridge Latin was victorious over Newton in the final game of the season, 43-20. Captain Payne and Ham were the high scorers for the team, the former rolling up 84 points, with the latter one point behind. The letter men were: Payne, captain; McCarthy, captain-elect; Ham, Harris, Kingsland, Lawrence, Schwartz, and Weidner.

The second team went through with a regular schedule and did well. Tinker, Blair, Bosworth, Chipman, Connolly, Doucette, McCarthy, Robinson, Scholl, and Seaver were the members of the team ably coached by Frank Simmons.

Indoor Track

Manager, HAROLD JONES Captain, RICHARD REYNOLDS Coach, DONALD G. ENOCH

NEWTON opened one of the best track seasons in school history by defeating the strong Medford team, $16\frac{1}{3}$ to $30\frac{2}{3}$. Robert Ewing, a transfer from Illinois, was high scorer with $11\frac{1}{4}$ points, followed by Captain Reynolds with $9\frac{7}{10}$ points. The following week found the Orange and Black competing against Brookline on the latter's track in the first half of the dual meet. Newton emerged victorious, $12\frac{1}{2}$ - $31\frac{1}{2}$, with Burton, Finn, Reynolds, and Ewing taking first places, while Mullen tied for first in the "300." With an eight point lead, Newton managed to withstand the threats of the Wealthy Towners in the second half of the meet in the old gyni, and the final score was $81\frac{1}{2}$ - $72\frac{1}{2}$. Huntington's track team bowed to Newton in a fast meet at the Boston Y. M. C. A., $10\frac{2}{3}$ - $27\frac{1}{3}$. The first serious test came in the Northeastern Interscholastics, and Newton showed its class by winning the meet with $16\frac{1}{2}$ points. Newton maintained its undefeated record by overwhelming Boston College High, 51-26, taking every first place except the relay. In the B. A. A. Interscholastics, the Orange and Black performers did remarkably well considering the high grade competition, and finished fourth. On the following week, Newton finished second to Brookline in the Andover Interscholastics with $16\frac{1}{2}$ points. Ewing broke the cage record in the "300," but was unable to finish in the finals. He had previously taken second place in the 45-yard dash. Captain Reynolds, by finishing second in the "600", established a new school record of 1 minute $20\frac{1}{5}$ seconds. Pescosolido, Hall, and Finn were the other point winners while the relay composed of Mullen, K. Adams, Pearson, and Reynolds defeated Medford in a nip and tuck battle and turned in the best time. Newton wound up its season by finishing third in the State Meet with $17\frac{1}{2}$ points. Ewing broke the 50-yard dash record in $5\frac{7}{10}$ seconds while a relay team of Ewing, Reynolds, Pearson, and K. Adams clipped $2\frac{1}{5}$ seconds off the record. Pescosolido featured with a second and third in the shot put and dash respectively. No little praise should be given to Coach Enoch, ably assisted by Mr. Tisdale, whose efforts were rewarded by the team's wonderful showing.

Baseball

Manager, WENDELL ALLEN Captain, ALEXANDER FLETCHER Coach, JOHN L. SULLIVAN

FIVE members of Newton's 1928 Suburban League Championship team reported to Coach Sullivan this spring. The pitching staff is composed of Reilley, Nichols, Pillion, Murphy, and Kraher, with Annese performing behind the plate. Captain "Allie" Fletcher has been shifted to shortstop and "Art" Wilson plays third base. Norman Payne has been holding down the initial sack, while Barry has the edge at second base. Mullen, Elrod, Andres, Nichols, and Reilley have seen service in the outfield.

The opening tilt was played against Woburn and resulted in a 16-9 trouncing for Newton. The offerings of Pillion and Murphy were blasted in every direction, and there was doubt as to the outcome. The Orange and Black won the first League game of the season by routing Cambridge Latin, 4-2, on April 19th. Reilley was in good form and held the opponents in check while Newton went on a hitting spree. Everett was the next victim, losing also by a score of 4-2, with Reilley pitching air-tight ball in the pinches. Boston College High won a weird contest from Newton on May 1st, 13-7. The Garden City outfit had built up a substantial lead, only to have the opponents go on a batting rampage scoring a dozen runs, putting the game on the ice. In a tenth inning rally which netted three runs, Newton defeated Medford, 14-11 on the Fulton Street grounds. Nichols was on the mound and kept Medford's hits well scattered. His heavy hitting was one of the features of the contest. Newton won its third League game by defeating Rindge, 14-6 at Victory Field. Fifteen hits for a total of twenty-six bases, with Fletcher and Mullen leading the attack, sent the Cantabs down to defeat. One big inning was sufficient for Newton to win from its ancient rival Brookline 7-4, in another League game, the Garden City nine scoring all its runs in the fourth frame. Reilley was effective on the mound, and except for a rally by the visitors in the eighth, he was in little danger at any time. Newton received its first League defeat at the hands of a heavy hitting Somerville aggregation, 14-3. As this article goes to press, the Orange and Black leads the League with four victories and one reverse.

Golf

Captain, HENRI BOURNEUF

Coach, FREDERICK G. HUSSEY

NEWTON HIGH'S golf team, state champions for the past five years, seems destined to remain at the peak in scholastic competition, judging from its record to date. In the matches played so far, Newton has tied Quincy, defeated Brockton, Thayer Academy, and New Prep. The team consists of the following: Henri Bourneuf, captain, Henry Donnelly, William Donnelly, Ralph Angier, Maurice Crane, and Richard Wagner. The remainder of the schedule is as follows:

May 13 B. C. at Newton	May 22 B. C. High at Newton
May 16 Newton at Wellesley	May 24 Quincy at Newton
May 18 Newton at Exeter	May 27 Newton at Natick
May 20 Newton at Thayer Academy	June 3 Wellesley at Newton
June 7 Brockton at Newton	

This year there is an Interscholastic tournament on May 31 and June 1 at Oakley, held for the purpose of stimulating more golfing interest among high and prep school boys.

Tennis

Manager, OLIVER PRESCOTT Captain, ARTHUR NOBLE Coach, WENDELL F. SMITH

NEWTON HIGH School again is represented by a very formidable tennis team which should rank high in interscholastic ranks. The veterans on this year's team are as follows: Arthur Noble, captain, Norman Harris and Gordon Naylor. Emmons Brown, Richard Dunne, and Francis Chase are the new members of the varsity.

To date only two matches have been played. Newton defeated Lynn, 5-0, in the opening match of the season, while Cambridge Latin bowed to the Orange and Black net men, 6-1 in a League contest. Matches with Malden and Everett were postponed. A year ago Coach Smith sponsored a Suburban Tennis League which was quite successful. The same League is being continued this spring, with Brookline, Cambridge, Quincy, Malden, Everett, and Newton as members. The Longwood interscholastic tennis tournament, which met with great success last year, is again to take place, and a large number of schools are expected to send representatives.

The remainder of the varsity schedule is as follows:

*May 15 Newton at Brookline	*May 27 Quincy at Newton
May 18 Newton at Andover	May 30 Harvard Interscholastics
- May 23 Newton at Milton Academy	*June 3 Newton at Somerville
May 25 Longwood Interscholastics	June 5 Newton at Groton

Newton is also represented by a second team which consists of the following players: Spencer, Walker, Sharp, Cooney, Giddings, Bailey, Hill, Jarrell, and Lombard. The team plays a regular schedule and so far has done extremely well.

*League Matches.

THE NEWTONIAN

GIRLS' BASKETBALL—SECOND TEAM

GIRLS' FIELD HOCKEY—SECOND TEAM

Girls' Basketball

Manager, LOUISE HORRIGAN Captain, EMILY DUNLEAVY Coach, LOUISE DYER

MORE enthusiasm was shown in basketball among the girls in 1929 than any previous year. Due to this fact there were over 200 girls on class teams. The regular intermural schedule was followed and the seniors who led in the highest percentage of games won, received class numerals. Games were also played with Waltham, Wellesley, Needham, and Belmont. The best players of each class were chosen from class teams to play against outside schools. The various teams showed up well, winning at least a majority of games from every school. After watching the players in these games, a varsity squad was picked shortly after Christmas. This squad was divided into first and second teams, Emily Dunleavy being elected first team captain, while Betty Pratt received the honors for the second team. The first game for both teams was played on March 7, resulting in a clean sweep for Newton, the first team score being 32-19, and that of the seconds, 30-17. The squad next journeyed to Watertown, but both teams fell before the speedy attack of the opponents, losing 48-7 and 38-11 respectively. Due to a misunderstanding, it was necessary for Newton to play its next game with Needham on the latter's floor. The first team went down to defeat 45-24, and the second team played a thrilling 20-20 deadlock. On March 27, Newton went to Cambridge and was just nosed out in a hard fought struggle, 34-32. The seconds came through with a 36-24 victory to bring some consolation. The last game of the season was with the alumnae, and here Newton defeated the grads by a 25-17 score.

Although the team itself did not win a large number of games, the season can be termed a success. With a change of coaches during the year, and a majority of practically inexperienced players, both teams did exceedingly well. The prospects for next year are very bright, with a wealth of promising material to be counted on.

Girls' Field Hockey

Manager, MARGARET WARREN

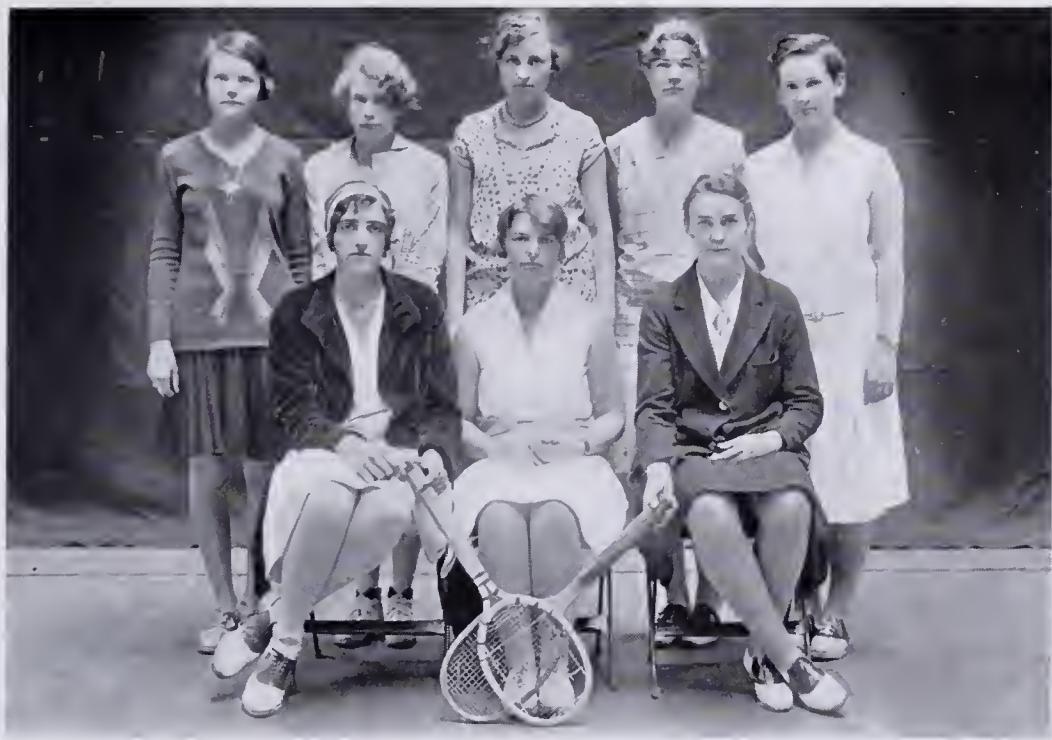

Captain, EMILY DUNLEAVY

Coach, ALICE BATCHELLER

THE Boston Field Hockey Association held the annual tryouts for the selection of the honorary All-public school team at Newton's field this year, with 120 representatives from twenty-two different schools taking part. Newton was represented by five of its outstanding players, namely: Rena Spain, Emily Dunleavy, Anne Baker, Katherine Locke, and Harriet Watts. Of those mentioned, Emily Dunleavy and Rena Spain received the coveted insignias, while Anne Baker received honorable mention. This is considered a great honor, since only eleven girls were selected out of the entire group.

While the actual field hockey season at Newton was not as successful as in previous years, due to the great number of inexperienced but willing players, the results indicated that a team is gradually being built up and very shortly Newton should take its place at the head of school girl ranks. The opening game of the season resulted in a 5-0 win over Somerville. Waltham was the next victim, losing to the first team, 2-1, while the second team battled to a 1-1 tie. Newton met unexpected defeat at the hands of Watertown, 4-0 in the third game of the season. The encounter with our ancient rivals, Brookline High, proved to be the most exciting and best played game of the season. With the Wealthy Towners leading 2-0 at the end of the first half, Newton unleashed an inspired attack and scored two goals. Both teams battled back and forth, but just before the final whistle blew, Brookline managed to score the winning goal. The second team was victorious, 4-0. The season ended with a 4-1 victory for Newton over a strong alumnae aggregation.

Approximately 110 girls regularly reported for field hockey during the fall. Every candidate was given a chance to play on some team, each class with the exception of the seniors, having two complete teams. In the preliminary stages of the season, the juniors and seniors played a two out of three series, and the freshmen and sophomores did the same. The seniors won the class championship in the finals.

Girls' Tennis

Captain, VIRGINIA HATCH

Coach, MAIDA FLANDERS

NO definite tennis team has been chosen as yet, because the high school courts have not been in proper condition. The team will be composed of seven players and a substitute, of which the probable line-up will be: Katherine Locke as player No. 1, Helen Morgan as No. 2, and Esther Turner, No. 3.

Ruth and Helen Chase will make up the first doubles team and the second doubles team will be selected from such prospects as Virginia Hatch, Adelaide Fogg, Dorothy Bliss, Marjorie Mighill, and Emily Dunleavy.

The schedule is being arranged with some of the best known tennis teams around greater Boston, such as Arlington, Brookline, Lexington and Winchester.

Newton has been unfortunate in losing Katherine Sprague, the captain, who transferred to Cambridge, but Virginia Hatch is doing commendable work in her place.

An entirely new method was used in running off the tournament last fall, which proved highly successful and will be used again this spring.

There were no postponed matches, and the contestants were on the courts at the appointed time when they either played or defaulted. The first round was played off on two afternoons, group one playing on one day and group two on another. Twenty minutes were allowed for each match. On the same day of the following week the second round was finished with 25 minutes for each match. The third round was completed with 30 minutes and after that, the contestants played for two out of three games. Grace Thompson emerged victorious in the finals, defeating Helen Chase, a freshman who has shown much promise.

A photograph of a handwritten note on white, lined paper. The note is written in cursive ink. At the top right, there is a large, dark, irregular hole punch mark. To the left of the hole, the word "Ticket" is written in a large, flowing script. Below "Ticket", the name "Walter" is written in a smaller script. Further down, the name "C. H. B. B. & Co." is written in a cursive script. At the bottom left, the name "John B. B. & Co." is written in a cursive script. A small, thin arrow points from the end of the "Ticket" line towards the hole punch mark. The paper has horizontal ruling lines.

A faint, large watermark or stamp is visible across the page, oriented diagonally from the top-left towards the bottom-right. The text "Digitized by srujanika@gmail.com" is written in a cursive script, with "Digitized by" at the top, followed by a large, stylized "srujanika@gmail.com". The watermark is light gray and has a slightly grainy texture.
